**Sharon Gabrielson,
MHA, MA, BSN, RN**

Chair, Global Business
Solutions,
Mayo Clinic

For-profit Global
Business Solutions
commercializes Mayo
Clinic's products
domestically and
internationally.

Referred by Nurses on
Boards Coalition

About Sharon

Offers a 360° perspective on healthcare - as a bedside nurse, CNO and Vice Chair of a health system. Strong board experience and advocate for women in leadership positions (<https://www.youtube.com/watch?v=581rrUUGvh0>).

According to her LinkedIn profile, as chair of Mayo's Global Business Solutions, she pioneered domestic and international business development including the launch of a joint venture in China, increasing the market valuation by 60% over 2 years. She sits on the investment committee for Mayo's \$100M Venture and Growth Fund.

Previously served as Vice Chair of the Mayo Clinic Health System, a \$2B enterprise with 12 corporate entities and 13,000 employees. Guided the transition from a holding company to an integrated operation at both a governance and operating level.

Sharon is retiring in 2019 from Mayo after 19 years. She will be consulting and serving on boards. She is seeking to join one more board of a privately held company.

**David Marshall,
JD, DNP, RN, CENP,
NEA-BC, NHDP-BC**

SVP/ Chief Nursing
Executive
Cedars-Sinai Medical
Center

Referred by Nurses on
Boards Coalition

About David

David has oversight of all nursing practice. He's directly responsible for 2,520 FTEs and budgetary responsibility of \$416 million.

Previously, VP, Chief Nursing & Patient Care Services Officer, University of Texas Medical Branch (UTMB Health), Galveston.

He's a 2016 Modern Healthcare's Excellence in Nursing Award winner.

http://www.modernhealthcare.com/article/20160116/EXCELLENCE_IN_NURSING/160119922/building-teamwork-through-tough-times

Implemented the first "MakerHealth Space" in a U.S. hospital – inviting nurses to innovate ideas and prototypes.

<https://www.utmb.edu/maker> MakerHealth is part of Pop Up Labs LLC, a spin out company from MIT launched in 2015 to bring the tools and mindset from the maker movement into healthcare.

According to a story in UTMB's newsletter, he's served on American Nurses Association Congress on Nursing Practice and Economics; the American Nurses Credentialing Center's Commission on Accreditation; the Committee on Practice Issues for the Texas Nurses Association; AONE's Board of Directors; and is a past chair of the Galveston County Branch of the Greater Houston Area Chapter of the American Red Cross.

One of 3 NEAC CNEs to be included on the list of *Becker's Hospital Review's* "60+ Hospital and Health System CNOs to know in 2017." <https://www.beckershospitalreview.com/lists/60-hospital-and-health-system-cnos-to-know-2017.html>

According to NOBC's executive director, David is a "servant leader", is trustworthy, deeply committed as a humanitarian, "is all about who he serves" and has no personal agenda.

**Donna Ciuffo,
DNP, RN, MBA, FNP-
BC, NE-BC, CCRN
(Certified in Nursing
Administration, Critical
Care Nursing and as a
Family Nurse
Practitioner)**

VP, Nursing Education,
Professional Practice
and Leadership
Development of
Hackensack Meridian
Health Network
in Edison, NJ

Referred by Nurses on
Boards Coalition

About Donna

Donna is directly responsible for nursing education and nursing practice across the system's 17-hospital network. Works with internal nurse educators to provide educational opportunities for the nursing team, create and revise policies, provide orientation for new nurses and other members of the nursing team. She is responsible for leadership development. Works closely with the network CNE and the local hospital chief nurses.

Earned MBA in Dec. 2017.

In her previous role as VP/Chief Nursing Executive, Jersey Shore University Medical Center, Donna was a member of the hospital labor relations team for union negotiations and directly responsible for more than 1200 RNs. Taught a course in the Doctor of Nursing Practice program at Monmouth University on Organizational Leadership in Health Care. Has managed multiple nursing units and has managed Magnet preparation.

**Joan Beglinger,
RN, MSN, MBA, FACHE,
FAAN**

Principal/ Consultant,
Joan Ellis Beglinger
Designing Tomorrow

Referred by Nurses on
Boards Coalition

About Joan

Former president of Wisconsin Organization of Nurse Executives.

Currently advises healthcare organizations and healthcare professionals on shared governance, accountable cultures and outcomes management through employee engagement, professional practice models, and acute care operations.

Is a Life Fellow of the American College of Healthcare Executives. (ACHE is an international professional society of 40,000 healthcare executives who lead hospitals, healthcare systems and other healthcare organizations. The Fellow of American College of Healthcare Executives, FACHE, is a prestigious distinction that shows a professional in health management meets the educational and professional requirements and is board certified and approved.)

A former consultant with one of the nation's foremost authorities on healthcare - Tim Porter O'Grady Associates, Inc. - and has served as CNO of 2 hospitals.

Joan is highly regarded by NOBC's executive director.

**Marion Broome,
PhD, RN, FAAN**
